PROFESSIONAL CLEANER

For Oil Finish Hardwood Floors

Ready To Use

Professional Cleaner is used to clean and prepare oil finish hardwood floors for Provenza Rejuvenating Oil treatment.

Directions for Use:

- Sweep, dust mop or vacuum area to be cleaned to remove grit and loose debris.
- Shake well before using. Ready to use. Do not dilute.
- Pour a small amount directly onto the area to be treated, leave on spot for a few minutes, then scrub gently with a microfiber cloth or scrubbing sponge. Can also be poured onto microfiber cloth or scrubbing sponge and applied as described above.
- Avoid saturating the flooring surface.
- Rinse microfiber cloth, mop or sponge with clean warm water after each sweep to rinse off dirt and grime.
- Avoid spraying onto baseboards, walls or other non-flooring surfaces.
- Repeat until total area being treated has been cleaned.
- Allow to dry a minimum of 20 minutes before walking on floor. Dry times may vary.
- Use **Provenza's Spot Rejuvenating Oil** afterwards to recondition and protect the area that has been cleaned.

KEEP OUT OF REACH
OF CHILDREN.

WEAR PROTECTIVE GLOVES
AND EYE PROTECTION.

WASH HANDS AFTER
HANDLING.

WARNING:

May cause serious eye irritation. Wash hands thoroughly after handling. Wear protective gloves and eye protection with use.

If product gets in eyes, rinse carefully with warm water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.

If eye irritation persists, seek medical advice/attention.
